Data Acquisition

Trending / Production Models / OEE / Downtime Tracking / Efficiency

Available Features

- Data Acquisition
- Historic and Live Data
- Remote Control
- Remote Visualization
- Email Notifications
- SMS Alarm / Texting
- Event Modeling
- Aggregate Raw Data
- Trend Calculations
- Linked Trend Bands
- High / Low Limits
- Historic and Live Data
- Time Shifting Trends
- CSV Exports

Silver Lake Automation knows data acquisition needs vary from company to company / industry to industry. That is why we have multiple packages designed to meet your needs. Right now and grow with you into the future.

Choose from our line of standard data acquisition machine based / web based packages or work with our team of engineers to modify one for your application.

Standard Systems Include but not limited to....

- Machine Based - Batch Files
- Machine to Server - Direct Download / Table Format
- Simplex / Duplex / Triplex and Multi-Drive Systems

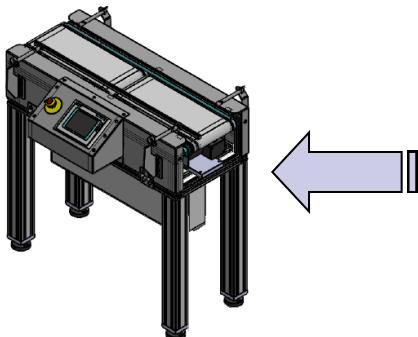

Data needs vary and grow over time. Let us help you achieve production efficiency goals!

All systems include, but are not limited to the following

- Over (or Under) Producing Due to a Change in Demand
- Diminishing Returns on Lean Manufacturing Efforts
- Lack of Real-Time Information
- Unbalanced Station Workloads
- Lengthy Changeover Time
- Late Product Launches on New Assembly Lines
- Just to name a few.....

* Though a feature may be listed, not all features are included. Please ensure that all the feature you desire are included with your order. It is recommended that you review your order with a Silver Lake Systems Engineer during the ordering process.

Data Acquisition

ORDERING INFORMATION

Data Aquisition

Enter Additional Notes Here. (If more room is required attach sheet)

CLOSE, BUT NOT EXACTLY what you are looking for? Don't worry. Each system is built to order. We like to call it "*Customization at no extra cost*". You are not paying a surcharge for customizing of a standard product. All you pay for is what you add. Our production system has been specially designed to handle custom systems. Tell your sales representative what you want. We'll have a quote out to you right away.

have a quote out to you right away.

APPROVAL DRAWINGS

Approval drawings are available for each system. We encourage it. You get to review the system before we build it. Request them with the order.
